RGB лента Kolink Inspire L1 ARGB LED Strip (400mm)

Brighten your setup with the brilliant Kolink Inspire L1 ARGB LED strips. They come with 20 bright 5050 ARGB LEDs, which shine in a 120° angle. This 40cm-long strip has a 3-pin male and female connector at each end, allowing you to add multiple strips via daisy chaining. It can easily be connected to standard 3-pin connectors on your motherboard or to a controller with the included 3-pin adapter cable. A 3-pin Y-adapter to allow for installation of further ARGB components is also included. The lighting can be synchronized with Gigabyte RGB Fusion, ASRock Polychrome Sync, ASUS Aura Sync, MSI Mystic Light and Razer Chroma software. Additionally, the strip features integrated magnets for easy installation. Alternatively, you can attach the Kolink Inspire L1 ARGB LED with the included adhesive strip.
