Геймърски безжични слушалки Logitech G435 Lightspeed Wireless, Микрофон, Черни

Геймърски безжични слушалки Logitech G435 Lightspeed Wireless, Микрофон, Черни

G435 small gaming headset fits a wide range of people but is designed for younger players with memory foam ear cushions and sizing for smaller head sizes. Logitech G435 is the first headset with LIGHTSPEED wireless and low latency Bluetooth connectivity, providing more freedom of play on PC, smartphones, Playstation gaming devices. With a lightweight construction, this wireless gaming headset weighs only 5.8 oz (165 g), making it comfortable to wear all day long. Be heard loud and clear thanks to the built-in dual beamforming microphones that eliminate the need for a mic arm and reduce background noise. This cool and colorful headset delivers carefully balanced, high-fidelity audio with 40 mm drivers; compatibility with Dolby Atmos, Windows Sonic for a true surround sound experience. No need to stop the game to recharge thanks to G435's 18 hours of battery life, allowing you to keep playing, talking to friends, and listening to music all day. The plastic parts are made from a minimum 22% post-consumer recycled plastic, paper packaging comes from FSC-certified forests, G435 is certified CarbonNeutral. An optional max volume limiter at less than 85 decibel can be activated to protect eardrums during extended use.
