Жичен геймпад Nacon Xbox Series Pro Compact White, Бял

Модел : NC-XBXPROCOMPACTWHITE

Жичен геймпад Nacon Xbox Series Pro Compact White, Бял
With ergonomics tailored to a wide range of hand sizes and many options usually found on professional controllers, NACON's Pro Compact is an alternative of choice for gamers looking for comfort and performance. In addition to offering the classic features of the Xbox Wireless Controller, a dedicated App available of the Microsoft Store gives access to the Advanced mode settings to create your own game profile.

Designed for Xbox - Officially licensed wired controller for Xbox Series X|S and Xbox One. PC compatible.

Universal ergonomics - 15% smaller than classic game controller to fit a wide range of hand sizes. Textured grip ensured comfort and stability during long gaming sessions. Customization at your fingertips - Pro Compact companion App available on Microsoft Store for Advanced game mode customization - programmable buttons, stick settings and trigger sensitivity controls – like a true professional controller.

Dolby Atmos® for Headphones - Unleash the power of Dolby Atmos® on your games with the included activation. Download the Dolby Atmos® App, plug your headphone to your controller and make audio precision your competitive edge.
