Капачки за механична клавиатура Glorious Aura PBT Doubleshot 105-Keycap White US-Layout

Go with the glow - unleash your board's LEDs with this set of PBT, pudding-style, Aura Keycaps. Their transparent legends and sides are designed to show off your board's lighting, allowing vibrant RGB to fully illuminate the keys. Glorious Aura Keycaps sound as good as they look. Compared to thinner ABS, PBT plastic is resistant to wearing over time and produces a richer, more satisfying tone without unwanted shine.
