Apple Pro Stand

Модел : MWUG2Z/A

Apple Pro Stand

Предназначен за: Mac Pro Display XDR

X-ка 2: Every aspect of Pro Stand was designed with pros in mind. Height, tilt, rotation — it's completely adjustable, allowing your Pro Display XDR to fit seamlessly into any work environment

X-ка 3: With precision tilting and 120mm of total height adjustment, Pro Stand helps Pro Display XDR adapt to any viewing condition. When you adjust the height, the angle of the display stays true

X-ка 4: Pro Stand gives you the ability to easily transition between landscape and portrait whenever you want. Change the screen's orientation by simply unlocking the slider and turning the display anticlockwise

X-ка 5: The magnetic connector on the Pro Stand attaches to a polar-opposite magnet on the back of Pro Display XDR. These magnets guide the connection while latches automatically engage to securely lock the stand to the display

X-ка 6: Tilt: -5° to +25°
